PRESIDENT'S MESSAGE

"The International Year of Progress and Cooperation" will be the theme of ASHRAE's 1975 Semi-Annual meeting in Atlantic City, New Jersey, January 26-30, 1975. Headquarters hotel is Chalfonte-Haddon Hall.

Scheduled are 8 technical sessions, 9 symposiums, 9 seminars and 15 forums involving all aspects of the HVAC&R field. Energy conservation and associated legislation will receive particular attention.

Concurrent with the meeting will be the International Air Conditioning, Heating and Refrigeration Exposition at the Atlantic City convention hall. The exposition is co-sponsored by ASHRAE and the Air Conditioning and Refrigeration Institute.

SEASON'S GREETINGS!! Best wishes for a Happy Holiday Season. The Officers and Board Members hope that the coming year will bring peace, good health, good cheer and prosperity.

DAN SCHWARTZ, President

DECEMBER 2, 1974 MINUTES

The meeting was called to order by President Dan Schwartz at 7:50 p.m. at the Beef-Eaters Restaurant, Phoenix, Arizona.

After approval of the minutes of the previous meeting as written in the DUST DEVIL other business was suspended because of Ladies Night.

After a short break to allow new members to sign up, the meeting was turned over to Program Chairman Tom Datena.

Tom introduced Erne', Custom Perfumer from Scottsdale, Arizona. Erne' gave a brief history of his background. He started into chemistry at age 5. By the time he was 17 he was Chief Perfumer for a large Chicago perfume manufacturer. After relating his background he explained how he is the only customer perfumer in the world. This art flourished in the days of Napoleon, but has been since lost to commercialism.

Erne' explained the difference in his perfume and colognes, and those commercially available today for both men and women.

The meeting was adjourned at 9:25 p.m.

BOB GENTNER, Secretary
